Made for Classrooms. Designed for Learning.

Purposeful Games. Powerful Outcomes.

Thowl Games designs screen-free educational games that make learning meaningful, collaborative, and joyful for every learner. Built for schools. Backed by purpose.

Who We Are

Thowl Games is an Indian educational game company founded on the belief that children learn best when they explore, think, and play together.

We create curriculum-aligned, screen-free games that help schools build confident, curious, and capable learners—through the power of play.

Our Mission

To create purpose-driven, screen-free games that make learning engaging, build life skills, and inspire curiosity in every learner.

Our Vision

To become India's most trusted educational game brand, reaching every school and educator with high-quality, impactful learning experiences.

Our Core Values

Learning First

Innovation

Quality & Safety

Integrity

Joy of Play

What Makes Thowl Games Different?

Learning by Design

Every game is built with clear learning goals aligned to school curriculum and real-world skills.

Collaborative Learning

Games encourage teamwork, communication, and peer interaction for deeper understanding and stronger bonds.

Skill-Based Approach

We focus on essential 21st century skills—critical thinking, problem solving, creativity, and decision making.

Screen-Free Play

Our games offer a healthy screen-free alternative that promotes focus, mindfulness, and active participation.

Meaningful Engagement

Thoughtful gameplay that turns classrooms and training sessions into spaces of energy, excitement, and joy.

Designed for Schools and Educators

- ✓ Our games are trusted by schools, educators, and learning institutions across India.
- ✓ Ideal for classrooms, workshops, teacher training, co-curricular programs, and more.
- ✓ Easy to learn. Easy to integrate. Easy to love.

Our Commitment

We are committed to quality, safety, and responsible learning. Every game we create is thoughtfully designed, rigorously tested, and made with care in India.

Learning with purpose. Playing with joy.

Proudly Designed & Made in India

Created with care for schools, educators and learners.

Purposeful Games. Powerful Outcomes.

1. LANGUAGE QUEST ADVENTURE – ENGLISH EDITION

A board game series that builds vocabulary, communication, and grammar through play.

-  Enhances vocabulary, grammar & sentence building
-  Boosts communication and language confidence
-  Encourages collaborative & competitive learning
-  Ideal for classrooms, labs & home learning

2. CUBE MINES

A creative stacking game that builds logic, balance, and spatial reasoning.

-  Develops logical thinking and problem-solving
-  Improves hand-eye coordination & motor skills
-  Encourages creativity and open-ended play
-  Perfect for individual, group & classroom use

3. GRAMMAR DICE

learn grammar through play

-  Strengthens grammar and sentence construction
-  Builds creativity and writing fluency
-  Supports vocabulary expansion in context
-  Engaging and easy to learn for all age groups

4. BALANCE STACKS

Build focus through play.

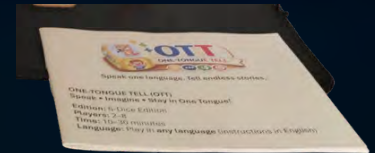

-  Improves focus and mindfulness
-  Enhances coordination and patience
-  Encourages calm decision-making
-  Ideal for classroom and wellbeing time

2. ONE-TONGUE TELL

The fast-talking, story-building game.

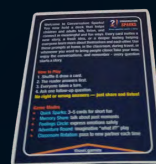

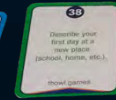

-  Develops storytelling and speaking
-  Expands vocabulary and confidence
-  Encourages creativity and quick thinking
-  Ideal for classrooms and language learning

6. CONVERSATION SPARKS

Every question starts a story.

-  Builds communication and emotional intelligence
-  Encourages empathy and self-expression
-  Strengthens relationships and understanding
-  Ideal for SEL, family & classroom conversations

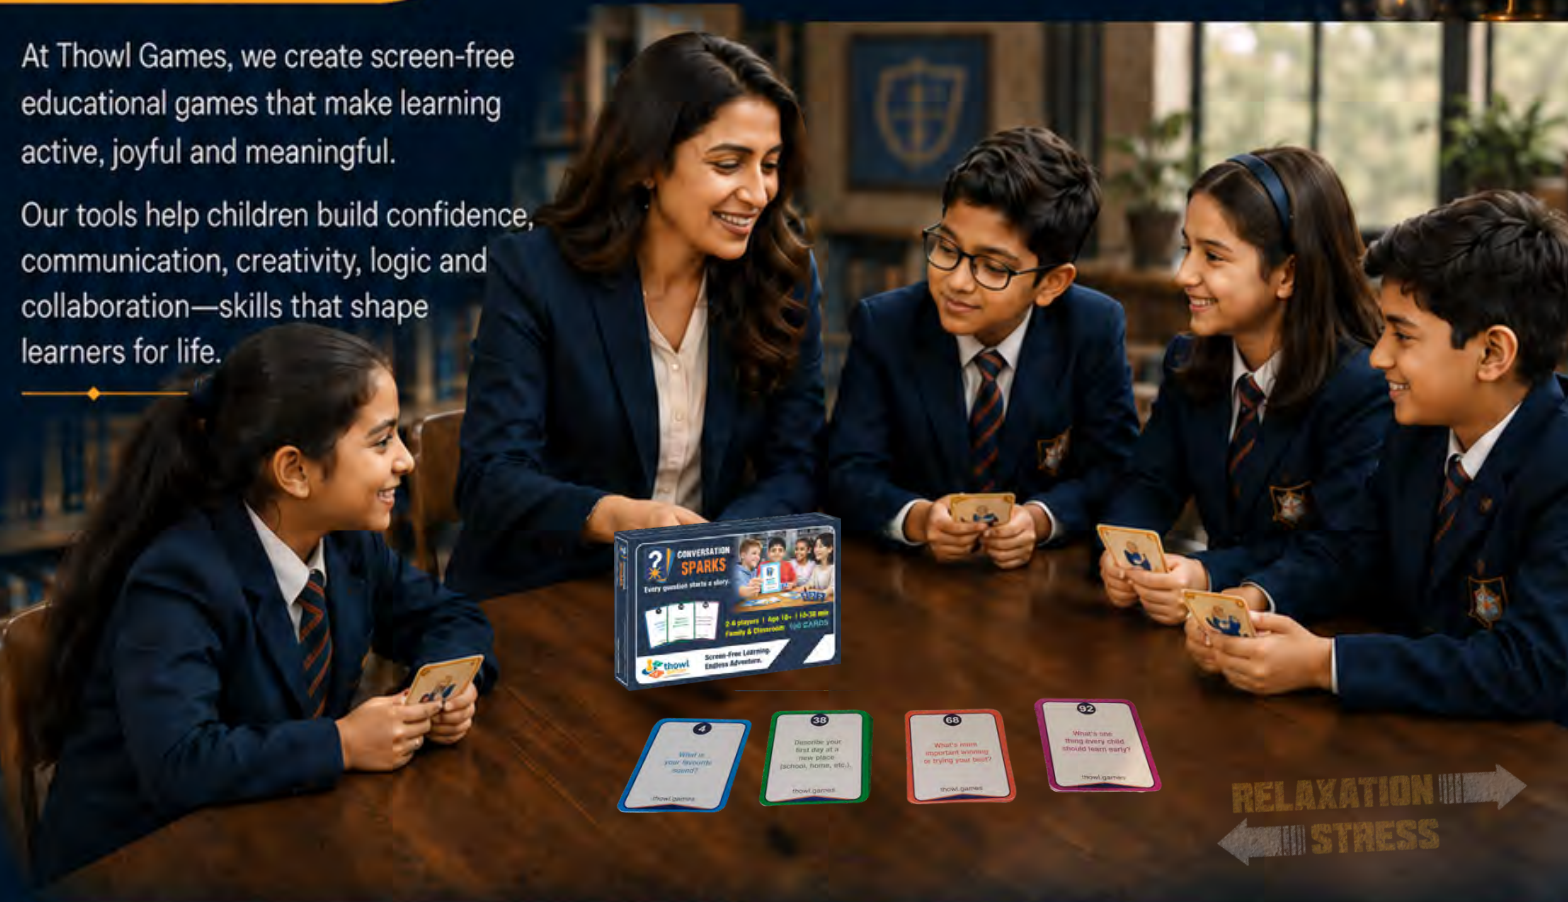

Learning Impact

How Thowl Games Support Meaningful Learning

At Thowl Games, we create screen-free educational games that make learning active, joyful and meaningful.

Our tools help children build confidence, communication, creativity, logic and collaboration—skills that shape learners for life.

RELAXATION →
← STRESS

Benefits for Students

- Builds confidence and communication
- Encourages creativity and critical thinking
- Strengthens focus, problem-solving and collaboration
- Makes learning active and joyful
- Supports holistic skill development

Benefits for Teachers & Schools

- Easy to integrate into classrooms and activity periods
- Encourages participation and peer interaction
- Supports language, logic and life skills
- Useful for clubs, labs and enrichment sessions
- Promotes screen-free, hands-on learning

Why Schools Choose Thowl Games

Screen-Free Learning

No screens. Pure imagination and meaningful play.

Hands-On Engagement

Tangible tools that spark curiosity and active involvement.

Multi-Skill Development

Builds language, logic, creativity and social skills together.

Classroom Friendly

Easy to use across subjects, clubs and activity periods.

Inclusive Play

Designed for every learner to participate, collaborate and grow.

Request for School Demo

We invite your school community to experience the power of play in language learning and life skill development

A short demo helps schools understand how students learn through play, communication, problem-solving and hands-on participation.

—~ Let's make learning joyful, engaging and meaningful. ~—

Why a Demo is Recommended

- ✓ See how our games make learning engaging and effective.
- ✓ Explore curriculum alignment with language & life skills goals.
- ✓ Experience classroom-ready solutions through live play.
- ✓ Build confidence in learning outcomes and student engagement.

What a Demo Can Cover

- ✓ Live gameplay experience of our product range
- ✓ Learning objectives and skill outcomes for each game
- ✓ Age-group suitability and classroom integration
- ✓ Q&A and customization with our team

Who May Attend

- ✓ Principals & Vice Principals
- ✓ Academic Coordinators & HODs
- ✓ Subject Teachers (English / Life Skills)
- ✓ Counsellors & School Leaders
